School Sports Premium 2015-2016 - £9,523

Objective / Strategy	Cost £	Intended Impact	Actual Impact
Providing quality assured sports coaches and instructors to coach after-school sports clubs.	£6,840	After school clubs are well supported by pupils 100% capacity. Pupils are enthusiastic and motivated. Healthy lifestyles are promoted.	Clear evidence that shows increasing pupil participation in sports competitions and extra-curricular sports clubs. Number of pupils taking part in inter-school competitions has more than doubled since previous year Working in partnership with local sports clubs to increase regular participation in sport within and outside school, ensuring long term and sustainable benefits concerning pupils health and well-being
Providing quality assured sports coaches and instructors to coach lunchtime sporting activities, developing physical, mental, social, moral and cultural skills.	£11,400	Clear progression in the children's skills and achievements in PE. Increase in the proportion of children working at age-related expectations. Gifted and Talented pupils are identified early.	We have specialist sport coaches to teach PE and extend the range of extra-curricular sport activities. Fundamental skills are being taught lower down the school and benefits of this are evident as children progress. We now have a greater number of pupils working at age-related expectations in PE. We have developed opportunities for pupils to become sport leaders, to lead and encourage play at lunchtime.
Paying for transport to competitive sporting events, i.e. Boys/Girls Football tournaments, Tri-Golf Events, Tennis matches, Dance exhibitions	£1,500	Pupils are enthusiastic and motivated. Increase in the proportion of children who take part in inter-school competition/exhibitions. Working towards achieving the Schools Games Award.	We have achieved Silver level award for our outstanding commitment to competition, school sport and physical education. We are working to achieve gold this year.
Purchase of new P.E. equipment to broaden the curriculum, allowing pupils to access more opportunities to progress.	£600	Clear progression in the children's skills and achievements in PE. Increase in the proportion of children working at age-related expectations.	The purchase of new equipment has enabled us to extend the range of extra-curricular sport activities
Installation of a MUGA (Multi Use Games Arena) for use during lunchtimes and P.E. lessons.	£53,000	Reduction in behaviour issues at lunchtime. Reduction in play related injuries at lunchtime.	The MUGA has enabled the children to play in a more positive way therefore we have seen a reduction in behaviour & play related injuries at lunchtime. It has supported us to develop finer skills of sports
